

Abraham's Promise Picture Frame

Supplies:

Picture frame (one for each child)

Glue

Yarn (rainbow colors)

Printables:

Abraham Promise Page 1 (family)

Abraham Promise Page 2 (stars)

Directions:

Give each child a strip of Stars and strip of family members. Have them color them, and glue the family in the picture frame. Then color and cut out stars. Glue all around the frame. When their finished use Rainbow color yarn to make it a hanging picture frame. If this isn't possible because of the thickness of frame or time issues, give each child a piece of yarn of each color and have them glue it to their frame.

Talk with the child about what God promised Abraham. His descendants would be as many as the stars in the sky!!
