

Easter Song

("Do you know the muffin man")

Do you know what Easter is
what Easter is, what Easter is
Do you know what Easter is
and why we celebrate?

Did you know Christ died for us
Christ died for us, Christ dies for us
Did you know Christ dies for us
Christ died for sinners sake

Did you know He washed our sins
washed our sins, washed our sins
Did you know He washed our sins
He washed them all away.

Did you know He rose again
He rose again, He rose again
Did you know He rose again
Christ rose on Easter day.
