

# Hosanna Song

(sung to the tune: "A Tisket A Tasket")

A Donkey, A Donkey

He rode in on a donkey

When Jesus came to the village

He rode in on a donkey

Hosanna, Hosanna

The people cried Hosanna

They laid their branches on the path,

and then they cried Hosanna.

Hosanna, Hosanna,

Hosanna in the highest

Blessed is he who comes in

the name of the Lord.

(you have to stretch out the third verse a bit, but it works!)
